

## Module 08

### Description:

Module is a pendant light made from 100% wool felt, fibreglass and wood veneer and is available in a range of sizes. Our production process involves the laser cutting of the components followed by the bonding of the 3 materials into a thin but strong sheet. Modules are then bonded into larger structures. The result is a soft outer appearance with acoustic qualities and a veneer inner finish. The warm white LED light source is reflected in the veneer to give a subtle light quality focused downwards

Code: M08+ Veneer Type + Felt Colour

Designer: Leo Scarff

Year of Design: 2017

### Material:

Camira Blazer Felt & Wood Veneer: Maple/ Limed Maple/ Cherry/ White Oak/ Walnut

### Finish/ Coating:

Satin  
ZF Applied protective coating

### Type:

Pendant Lamp

### Colour:

Felt colour as chosen & Natural Veneer colour as chosen

### Cleaning Instructions:

Dust carefully with brush attachment for Hoover.  
Always switch off power supply before cleaning

### Electrics:

Bulb Spec: 1x 12W LED ES Bulb per fitting as standard  
Centred on Shade  
220V-240V / 50Hz-60Hz  
US Electrics also available

Cable Length: 2m length supplied as standard

Dimension from top of shade

Transparent cable clamps at rose and top of shade

Transparent cable

Rose: Brushed Stainless steel cover DIA 90mm with fixing plate

Packaging (cm) H54 W64 D64

MDF Crate/ Multiple fittings may be packed together.

Weight Excl. Packaging (Kg)

Code M08: 2Kg

Weight Incl. Packaging (Kg)

Code: M08: 6kg

Fitting Dimensions: (cm/in)

H52cm / 20 1/2in

W 58.9cm / 23 in
