

Vertex

Description:

Our Vertex acoustic pendant is part of a series of new acoustic products by our studio using recycled PET felt board. It's domed profile makes it ideal for sound dampening above office meeting areas, tables or restaurant, cafe and reception areas and is available in a range of 15 colours. Each part is CNC knife cut for accuracy and held together by nylon fittings with 2 LED light source options - a 22W flat disc light or 11W suspended globe bulb.
